

The Dental Clinic

Dr Dominic O'Hooley

BDS MFDS.RCS
Dental Director

Dr O'Hooley qualified as a dentist from Liverpool dental school in 1993. After time spent as a hospital house officer, Dominic entered general practice in Leeds.

In 2001 he joined Boots Dentalcare as a dentist and quickly rose through the ranks to become a successful Dental Business Manager.

In 2002 Dr O'Hooley successfully passed the MFDS RCS examination at The Royal College of Surgeons in London and has continued with his post graduate education, including recently commencing The Faculty of General Dental Practice Diploma in Implant Dentistry of The Royal College of Surgeons. He hopes to complete this in July 2010.

Dr O'Hooley joined The Dental Clinic in January 2005 and in February that year was formally engaged as Dental Director. He feels that it is vital that the director of a dental business should be an active, practicing dentist and so as well as concentrating on furthering his education, he also practices as a dentist at The Dental Clinic in Leeds.

Dr O'Hooley immensely enjoys the role of Dental Director working with his experienced team to drive The Dental Clinic to even greater heights.
