## Dr Richard Jones

BDS, MSc, PD  
Regional Clinical Director

Dr Jones is a very experienced dental surgeon. Since qualification in 1974 at Witwatersrand University in South Africa, Richard has continued with his post-graduate education receiving a Masters degree in pediatric dentistry and Post – Graduate Diploma in clinical dentistry.

Upon moving from South Africa to the UK in 1975, Richard opened a prestigious private dental practice in Kensington London. After selling this business and a further period in South Africa Richard then held senior positions in Boots Dentalcare prior to joining The Dental Clinic in 2005.

As one of our team of experienced RCDs, Richard works very closely with his group of dental clinics ensuring that they follow best practice protocols and offer our patients the very best dental experience, every time.
